## ★ Amharic SDA blessings on youtube

Pr. Paulsen the former GC President of the Seventh Day Adventist Church wrote on Adventist World March 2010 issue an article entitled "Is the face of Adventism changing?" where he emphasized as Adventists we should have constants and where we inevitably change. (In fact the translated Amharic file of this article we decided to send you with this issue of Yetnbit Kal newsletter and the English is available from the magazine's home page). One of the points where change is inevitable was stated to be in the use of information communication technology. In line with this the Pastor himself in another interview mentioned the youtube, a leading global video sharing portal and today we have plenty of spiritual materials in the youtube including the powerful and balanced sermon of Pr. Ted Wilson, our present GC President at the 2010 GC Session and more. (In fact Pr. Wilson's sermon entitled "Go forward" is also available in full text, full video and mp3 audio format from <http://www.mission-tv.org/wp/?p=470>.) Praise God the Ethiopian Church is also doing its best through lay activities to exploit this portal. Br. Dawit Mehari, founder and head of Yetnbit Kal ministry

also has one news for us all; we also have Amharic sermons & songs at youtube. Halleluya!! That indeed is great and we strongly believe this is a great news for all Yetnbitkal family. Songs by Hawassa no. 2 Amanuel Choir CD: Yefikir Sitota and Ketinaitu Yeteleye Misgana ... have been released by a brother who identified himself as bereket7 in the last couple of years. Now, you can enjoy the blessings as well as recommend to friends. To get the sermons go to our ministry's link at youtube:

And to get the songs go to [http://www.youtube.com/results?search\\_query=Filwoha+Adventist&aq=f](http://www.youtube.com/results?search_query=Filwoha+Adventist&aq=f) or <http://www.youtube.com/watch?v=qLxSoiznCq0> and look the suggested list in the right.

## ★ Blessings from Yetnbit Kal especially 4 U

It is to be recalled that in the last issue of Yetnbitkal NL we wrote about Africans Living in View of Eternity (ALIVE) ministry that held blessed services in Ethiopia. The Ethiopian organizers sent us complete powerpoint materials of the seminars and we will send you for free if you just drop us your interests. Another blessing which we thought many would be interested in is the Amharic Hymn songs (Wudase) the powerpoint of these (complete song book) also available for you for free once again if you request at our email account. These Hymn songs have been made available through the Filwoha SDA Church in Addis and we would like to thank all our sources and say God bless abundantly!

## Leweru

There is a story I heard from Mamma many years back. It goes as follows:

An extraordinary meeting was called by the chief of monkeys once upon a time and an agenda was posed to the congregants “Why are we inferior to the human beings and what is it that created enmity between us and them?” The answer came from one wise monkey stating “We are in no way inferior to humans except that they have farms, saw plants and eat from their own farms.” The monkeys discussed on this problem and agreed to plant maize the next morning. As they agreed upon they woke up early the next morning, went to the field with their best seeds and planted the maize. Now everything is done to declare the monkeys are equal to the humans. All monkeys kept watching their farm. The same day around evening however, another urgent meeting was called where the chief monkey announced a serious problem is faced by the community. Members asked ‘What happened?’ The answer was ‘The maize harvest got late.’ All members of the community discussed on this burning problem and some wise members recommended ‘The maize needs time...’ But finally the community voted that (As I heard it in Sidamigna ‘Anigarae'nohu'annuyiiho’) “What we can say ours is only what is right on hand.” and went on collecting all the maize seeds sown. The story concludes that, this was how the attempt to start farming by the monkeys was finalized.

Dear readers the Bible clearly states **“Therefore, prepare your minds for action; set your hope fully on the grace to be given you when Jesus Christ is revealed.”** 1 Pet. 1:13 (NIV). But could it be possible that some of us are still with the mentality of the monkeys? And claim “Let my rewards for receiving Jesus Christ as personal savior come here on earth and right now!”?

Dear brothers and sisters let this happen to none of us and may the following verses establish our mind on what is to come soon from heaven!

- “But our citizenship is in heaven. And we eagerly await a savior from there, the Lord Jesus Christ.” Phili. 3:20 (NIV)
- “Behold, I am coming soon! My reward is with me, and I will give to everyone according to what he has done.” Rev. 22:12 (NIV)
- “Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you. And if I go and prepare a place for you, I will come back and take you to be with me that you also may be where I am. You know the way to the place where I am going.” John 14:1 (NIV)
